Activity Report	
Academic Year	2019-20
Name of the Activity	Tree Plantation
Date of the Activity	15-08-2019
Number of Students	97
Number of Teachers	4
Organized By	Extension Activity Cell
Objective	The purpose of Tree Plantation is to save the endangered environment and to beautify our life.
Brief Report	Trees contribute to their environment by providing oxygen, improving air quality, climate amelioration, conserving water, preserving soil, and supporting wildlife. During the process of photosynthesis, trees take in carbon dioxide and produce the oxygen we breathe. To nurture the nature and to minimize effect of global warming, we must spread awareness about tree plantation and conservation. As part of one the NSS activity, we conducted tree plantation drive at kaitha village in our district's nearby college.

Activity Report	
Academic Year	2019-20
Name of the Activity	Health Checkup
Date of the Activity	29/07/2019
Number of Students	46
Number of Teachers	7
Organized By	Extension Activity Cell
Objective	To provide initial care to student in life-threatening conditions which reflect the unique strengths and goals of medical ethics.
Brief Report	Many people die because of their inability to meet the expenses of the costly treatment of their disease and government hospitals are incapable of providing free medical aid to each and every poor patient. The main objective of Sw Daya Shankar Patel Mahavidyalaya behind organizing the free medical camp is to provide initial care to people in life-threatening conditions which reflect the unique strengths and goals of medical ethics. The villagers attend the camp with the aim of free check up and free treatment.

Academic Year	2019-20
Name of the Activity	Yoga Day Celebration
Date of the Activity	21/06/2019
Number of Students	108
Number of Teachers	16
Organized By	Extension Activity Cell
Objective	To raise awareness to people of physical and mental illness and providing solutions through Yoga.
Brief Report	We celebrate Yoga Day on International Yoga Day. By understanding the importance of Yoga Day our college volunteers celebrated and practiced different yogasana in Sw Daya Shankar Patel Mahavidyalaya campus. Teaching and Non-teaching staff members actively participated in the program. It is not about exercise but to discover the sense of oneness with you, the world and the nature. This activity really helped them to minimize their mental stress.

Objective	The purpose of Tree Plantation is to save the endangered environment and to beautify our life.
Brief Report	Trees play a vital role in enhancing the environment by producing oxygen, improving air quality, regulating the climate, conserving water, protecting soil, and supporting wildlife. Through the process of photosynthesis, trees absorb carbon dioxide and release the oxygen essential for life. To safeguard nature and mitigate the effects of global warming, it is crucial to raise awareness about tree plantation and conservation. As part of an NSS initiative, we organized a tree plantation drive at Adhuri village, located near our district's college, aiming to contribute to the environment and promote sustainable practices in the community.

Organized By	Extension Activity Cell
Brief Report	AIDS (Acquired Immunodeficiency Syndrome) is a disease caused by the HIV (Human Immunodeficiency Virus). HIV attacks the body's immune system, which makes it harder for the body to fight infections. If not treated, HIV can lead to AIDS, a serious stage of the disease. Awareness about HIV and AIDS helps people protect themselves and others, and encourages those who need help to seek treatment and support. Everyone can play a part in stopping the spread of HIV by being informed and spreading the message of prevention.

Brief Report	<p>In tune, with the Governments initiative of 'BetiBachaoBetiPadhao', the villagers were explained the importance of saving the girl child for the betterment of society. 'Gram Panchayat' and 'Extension Activity Cell' jointly conducted the activity to focus on the women empowerment, save girl child and mandatory education for girl child. Still there are many cities in India where ratio of male and female is unbalanced with large margin. Girls are equally as important as boys in the society to maintain the social equilibrium. Due to female feticide it becomes serious and challenging issue in society, it is essential to aware people about this issue. Through this program, the volunteers encouraged the audience to contribute their efforts to save girl child and educate girl child. They also explained the government schemes available for girl child and women empowerment.</p>

Activity Report	
Academic Year	2023-24
Name of the Activity	Tree Plantation
Date of the Activity	03/08/2023
Number of Students	106
Number of Teachers	6
Organized By	Extension Activity Cell
Objective	The purpose of Tree Plantation is to save the endangered environment and to beautify our life.
Brief Report	Trees contribute to their environment by providing oxygen, improving air quality, climate amelioration, conserving water, preserving soil, and supporting wildlife. During the process of photosynthesis, trees take in carbon dioxide and produce the oxygen we breathe. To nurture the nature and to minimize effect of global warming, we must spread awareness about tree plantation and conservation. As part of one the Extension activity, we conducted tree plantation drive at college.

Activity Report	
Academic Year	2023-24
Name of the Activity	Beti Bachao Beti Padhao
Date of the Activity	08/03/2024
Number of Students	97
Number of Teachers	4
Organized By	Extension Activity Cell
Brief Report	<p>In tune, with the Governments initiative of 'BetiBachaoBetiPadhao', the villagers were explained the importance of saving the girl child for the betterment of society. 'Gram Panchayat' and 'Extension Activity Cell' jointly conducted the activity to focus on the women empowerment, save girl child and mandatory education for girl child. Still there are many cities in India where ratio of male and female is unbalanced with large margin. Girls are equally as important as boys in the society to maintain the social equilibrium. Due to female feticide it becomes serious and challenging issue in society, it is essential to aware people about this issue. Through this program, the volunteers encouraged the audience to contribute their efforts to save girl child and educate girl child. They also explained the government schemes available for girl child and women empowerment.</p>
